Alone

Sometimes I feel so alone
Sometimes the people I know
Seem so distant

Sometimes I feel so strange and different
I can't seem to pinpoint it
But sometimes I wonder just where I belong

I just want to find someone
Someone who understands me
Someone who'll love me

Someone to hold me in their arms
And keep me warm
On all those cold winter nights
That I have in my life

I know they're out there somewhere
Probably feeling this same way
Maybe we'll get lucky and meet
But I'm not going to hold my breath

It's been this way for so long
I suppose I should be used to it
Maybe being alone wouldn't be so bad
If I could just learn to accept it
